Recertification Available for Expiring Instructor and Instructor Trainer Certifications Beginning September 29, 2012

American Red Cross instructor and instructor trainer recertification assessments will become available on the Instructor's Corner website on September 29, 2012 for the following certifications expiring December 31, 2012:

- Swimming and Water Safety (Water Safety Instructor)
- Safety Training for Swim Coaches
- Bloodborne Pathogens Training
- Wilderness and Remote First Aid
- Babysitter's Training

Recertification Process
To recertify, these instructors and instructor trainers must have:

- Taught or co-taught at least one course of record since December 31, 2010; AND
- Successfully completed the recertification assessment (an online knowledge assessment) with a score of 80% or higher within 90 days of their certification expiration date.

Once the recertification process has been completed, instructor and instructor trainer certifications will be extended for 2 years from the date of completion.

In 2013 and beyond, other instructors and instructor trainers, who have certifications in other program areas, and have a valid email address in the Red Cross Learning Center, will receive an email notification 90 days before their instructor and instructor trainer certification expiration date to signal the start of their recertification assessment process.

Please Note: To receive the notification, it is important for instructors and instructor trainers to have a current email address listed in their Learning Center profile*. An email can be added to the Learning Center profile by following these steps:

- Go to the Learning Center* (https://classes.redcross.org)
- Enter your username and password.
- Click "My Profile" tab at the top of the page.
- Click "Edit Profile Snapshot" link.
- Add or change your email address in the "Email (Required for Notifications)" field.
- Click "Save."

* Instructors and Instructor trainers who do not know or remember their Learning Center username or password should contact the Red Cross Training Support Center (1-800-RedCross/1-800-733-2767;support@redcrosstraining.org) for assistance to access their Learning Center profile.

Similar information will be posted on the program pages of Instructor's Corner on or about September 29, 2012 and will include instructions and information on how to access the online recertification assessments. Instructors and instructor trainers will be directed to contact the Training Support Center (1-800-RedCross/1-800-733-2767;support@redcrosstraining.org) if they have any related questions.
